Reference: Certificate of RoHS Compliance - Tru-Seal Nuts (Part Numbers Listed Below)

### MANUFACTURERS DECLARATION

The Cylinder Division certifies that the materials and process used in the manufacture of Tru-Seal Nuts (part numbers listed below) are in compliance with RoHS Directive 2015/863 (RoHS 3) requirements.

| ORDER BY PART NUMBER | CATALOG PART NUMBER | DESCRIPTION                      | ORDER BY PART NUMBER | CATALOG PART NUMBER | DESCRIPTION                      |
|----------------------|---------------------|----------------------------------|----------------------|---------------------|----------------------------------|
| 124365               | TSE01-13            | NUT, TRU-SEAL, 013 NPT, STEEL    | 124654               | TSE02-125           | NUT, TRU-SEAL, 125 NPT, 303 CRES |
| 124382               | TSE01-25            | NUT, TRU-SEAL, 025 NPT, STEEL    | 124671               | TSE02-150           | NUT, TRU-SEAL, 150 NPT, 303 CRES |
| 124399               | TSE01-38            | NUT, TRU-SEAL, 038 NPT, STEEL    | 124688               | TSE02-200           | NUT, TRU-SEAL, 200 NPT, 303 CRES |
